

Wait

Walk

Lean

Ride

Finding pause: an embodied veillance in the city.

WAIT

"Rocks in the stream"

Waiting at traffic lights over several red/green switches.

Noticing: Sensation of not walking when permitted
 Geometry and pattern
 Movement around your body – sound, air, other bodies, colour, leaves...

WALK

"Flotsam jetsam – floating upstream and down"

Walking very slowly through the city.

Noticing: Meeting the city with your feet
 Softness/hardness
 Textures

LEAN

"Lean into the city to look out."

Lean into walls, surfaces, benches...

Sensing the city through your: Bones
 Muscle
 Skin

RIDE

"Somnambulism in the city." Or "The Eschcalator."

Ride the escalators at QV in a continuous loop.

What do you notice?
